

### **Michael Ryan IAT, Ph.D, Clinical Trichologist**

Michael is a world-renowned clinical trichologist with 20 plus years of experience researching, treating and curing scalp and hair disorders. He is a clinical PRP practitioner, an expert in micro needling of the scalp and a training provider to the medical profession on the practice. He qualified with the Institute of Trichologists in London, is a member of the International Association of Trichologists and is the Middle East's only board certified trichologist. Michael has worked with Wella UK, L'Oreal in Paris and Tokyo, Philip Kingsley in London and several clinics and hospitals, most recently at one of Dubai's leading aesthetic clinics.
