## HERMETIC AMPOULES

Hermetic ampoules have been formulated to help curb hair loss and stimulate the growth thanks to a combination of active ingredients that revitalize the hair follicle and strengthen hair from the root.

- Composition based on vitamins, minerals and aminoacids.
- Contains Dihydrotestosterone blockers, main responsible of hair loss.
- Strengthens and enhances hair growth from the root.
- No side effects.
- Topical application.
- Lasting results.

The combination of active ingredients used in hermetic ampoules are also effective in increasing the density and thickness of the beard and eyebrows.

## AT HOME TREATMENT

### RECOMMENDED PROTOCOL:

Dry hair/beard application

Massage the target area to improve vasodilation for 5 min.

Apply one ampoule of 2 ml.

Massage the target area until complete absorption – 5 / 10 min.
